Our Mission

From the inception of the vision for Faith Theological Seminary and Christian College, our President, Dr. George W. Walters, Jr., believed that the institution should have a four-fold purpose by providing the following:

- A. A basic foundation for beginning Christians in the Word of God to gain confidence in their relationship with the Lord.
- B. Training for service in the local church (whether for staff member or volunteer) as well as advanced training for older Christians to be able to provide support to the work of the ministry.
- C. A program to prepare people for ministry as they sense God's call on their life.
- D. Advanced studies for the seasoned minister and the development of academic credentials for a life of ministry experience.

The educational training is focused on preparing and equipping the individual for religious vocations within the context of the local church, ministry opportunities outside of the church, and/or para-church organizations.

Our History

Faith Theological Seminary and Christian College developed in 1984 with Faith Outreach Center's Assistant Pastor, Ed Kuhn, as the Institute of Ministry with its first graduation in 1985. Four individuals of that first class of thirteen still serve full-time on the mission field outside of the United States. By 1987, the Institute became Faith Outreach Christian College as the administration and students desired more advanced educational opportunities and received its authorization status to grant degrees by the Florida State Board of Independent Colleges and Universities (SBICU) in 1988.

Continuing with Dr. Ed Kuhn's administration and the overall leadership of the President of the institution, Dr. George W. Walters, Jr., Faith Outreach Christian College became Faith Theological Seminary and Christian College in 1990.

Only two times since the institution began has the administration's leadership changed. In 1992, Dr. Kuhn left to further pursue God's call on his life in another state. Dr. Douglas Wingate moved into the position of administration and expanded the reach of Faith Theological Seminary and Christian College with additional academic programs and extension campuses around the country. In 1995, Dr. Wingate also left to pursue God's call on his life. Dr. George Siemer accepted the position of dean and administrator continuing under the presidential leadership of Dr. Walters.

The college and seminary have focused its programs in theology, ministry, Christian education and counseling maintaining its relationship with the SBICU, now known as the Florida Commission for Independent Education (CIE). With this relationship, the institution has developed independent accreditation and recognition that now is accepted worldwide (see pages 12 - 13 for specific details). The overall influence of our alumni has touched nearly every continent and is reaching many cultures by obeying the Lord's Great Commission (Matthew 28:19-20) to go into all the world.

We do not see education as an end, but a means to an end; that end being obedience to the call of God to influence the culture and society with the Gospel of Jesus Christ.

STATEMENT OF FAITH

Faith Theological Seminary and Christian College considers certain truths as being fundamental to an understanding of and a relationship to the one true and living God. The courses provided will help Christians with many different levels of need: from the beginning student building a basic foundation to the seasoned minister advancing his study, proficiency, and academic standing in the ministerial community. The institution exists to train Christian ministers, workers and lay people to effectively carry the Gospel message of Jesus Christ to their generation.

Because we are so international, students arrive from many walks of life with widely varying beliefs, values, and attitudes. The college/seminary staff works individually and together, under the guidance of the Holy Spirit, to help each student correct his or her own inconsistencies and problems, rather than demanding detailed conformity to an outward standard. We do hold to the following truths of Christianity.

ONE TRUE GOD

The one true God has revealed Himself as the eternally self-existent I Am, the Creator of the Universe, and the Redeemer of mankind (Deuteronomy 6:4; Exodus 3:14 and Isaiah 43:10-11). God has further revealed Himself as a being, manifested as three persons: Father, Son, and Holy Spirit (Isaiah 48:16; Matthew 28:19 and Luke 3:22).

THE SCRIPTURES INSPIRED

All Scripture, both Old and New Testaments are verbally inspired by God and are the inerrant revelation of God to man, the infallible, authoritative rule of faith and conduct (II Timothy 3:15-17; I Thessalonians 2:13 and I Peter 1:21).

THE DEITY OF THE LORD JESUS CHRIST

The Lord Jesus Christ is the eternal Son of God and has the Divinity and Deity of God, because He is the God-man (Matthew 1:23; John 5:22; II John 3 and Hebrews 1:1-13).

ORIGINAL SIN AND THE FALL OF MAN

Man was created good and upright, for God said, *“Let Us make man in Our image, after Our likeness...”* Genesis 1:26-27. The first man, Adam, through disobedience, fell from the grace of God and thus, sin entered the world, and death by sin. Adam’s transgression incurred not only physical death for man, but also spiritual death which is eternal separation from God (Genesis 2:1-17, 3:4-6). Man’s propensity to sin, because of his sinful nature, necessitates salvation from the power of sin and a Savior to provide that salvation from the power of sin (Romans 7:13-25).

SALVATION OF MAN

Man’s only hope of redemption and salvation from the power of sin is through the shed blood of the Lord Jesus Christ (Acts 4:12; Romans 5:8-13, 10:9; James 1:21 and Ephesians 2:8).

JESUS CHRIST THE ONE SHEPHERD

Jesus Christ is the Good Shepherd (John 10:11) and the Great Shepherd (Hebrews 13:20). There is only one spiritual Shepherd referred to in the New Testament and Jesus Christ is that One (John 10:16).

THE CHURCH AND ITS MISSION

The church is the body of Christ, the habitation of God through the Holy Spirit, with divine appointments for the fulfillment of His great commission. Each believer, born of the Spirit, is an integral part of the general assembly and the church of the firstborn, which was written in heaven (Ephesians 1:22-23, 2:22 and Hebrews 12:23). Since God's purpose concerning man, is to seek and to save that which is lost, to be worshipped by man, and to build a body of believers in the image of His Son, the responsibility of the church is:

- A. To be an agency of God for evangelizing the world (Acts 1:8; Matthew 28:18-20 and Mark 16:15-16).
- B. To be a corporate body in which man may worship God (I Corinthians 12:28, 14:12).

BAPTISM IN WATER

All the ordinances of baptism by immersion in water are commanded in the Scriptures. All who repent of their sins and believe in Christ as Savior and Lord are to be baptized. This is a declaration to the world that they identify with Christ in His death and have been raised with Him in newness of life (Matthew 28:19; Mark 16:16; Acts 10:47-48 and Romans 6:4).

THE LORD'S SUPPER OR HOLY COMMUNION

The Lord's Supper, consisting of these elements: bread and the fruit of the vine, is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (I Peter 1:4). It is a memorial of His suffering and death (I Corinthians 1:26) and is enjoined on all believers until He comes again.

THE BAPTISM OF THE HOLY SPIRIT

The baptism of the Holy Spirit is evidenced by the manifestation of power in the believer according to Acts 1:8. With this power comes the anointing for service and the bestowing of the spiritual gifts of the Spirit which are used in the ministry of the body of Christ (Luke 24:49; Acts 1:4, 8 and I Corinthians 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17, 10:44-46, 11:14-15, and 15:7-9).

DIVINE HEALING

Divine healing was provided for in the Old Testament (Exodus 15:23-26; Psalm 103:1-3 and Isaiah 53:4-5) and is an integral part of the Gospel as it was obtained through the stripes of Jesus Christ (Matthew 8:16-17; Acts 5:16 and James 5:14-16).

THE SECOND COMING/ADVENT OF CHRIST

The second coming of Christ includes the sudden catching away of the church, the body of Christ, as the restrainer of the lawless one (I Thessalonians 4:16-17 and II Thessalonians 2:6-8), followed by the actual, visible return of Christ with His saints. Together they will reign with Him on earth for one-thousand years (Zechariah 14:5; Matthew 24:27-30; Revelation 1:7, 19:11-14 and 20:1-6).

Prior to the millennial reign, salvation will come to national Israel through the ministry of the sealed of Israel and the two witnesses (Ezekiel 39:28-29; Zephaniah 3:19-20; Romans 11:26-27 and Revelation 7:1-8, 11:3-7) and the eventual establishment of universal peace (Isaiah 11:6-9; Psalm 72:3-8 and Micah 4:3-4).

THE FINAL JUDGEMENT

There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast, and the false prophet, will be consigned to everlasting punishment in the lake

which burns with fire and brimstone, which is the second death (Matthew 25:46; Mark 9:43-48; Revelation 9:20, 20:11-15 and 21:8).

FUNDAMENTAL TRUTH: HEBREWS 6:1-6

- A. Repentance from dead works.
- B. Faith towards God.
- C. Laying on of Hands.
- D. Doctrine of Baptisms.
- E. Resurrection from the Dead.
- F. External judgment.

Finally, “We, according to His promise, look for a new heaven and a new earth, wherein dwelleth righteousness” (II Peter 3:13 and Revelation 21:1).

HUMAN SEXUALITY

- A. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe that any form of homosexuality, lesbianism, bisexuality, transgenderism, bestiality, incest, fornication, and pornography are sinful perversions of God’s gift of sex. We believe that God disapproves of and forbids any attempt to alter one’s gender by surgery or appearance (Gen. 2:24, 19:5, 13, 26:8-9; Lev. 18:1-30; Rom. 1:26-29; 1 Cor. 5:1; 6:9; 1 Thess. 4:1-8 and Heb.13:4).
- B. We believe that the term “marriage” has one legitimate meaning, and that is marriage sanctioned by God, which joins one man and one woman in a single, covenant union as in Scripture. Marriage ceremonies performed in any facility owned, leased or rented by this church will only be those ceremonies sanctioned by God, joining one man with one woman, as that gender was determined at birth (Gen. 2:24; Rom. 7:2; I Cor. 7:10 and Eph. 5:22-23).

FAMILY RELATIONSHIP

We believe that God has ordained the family as the foundational institution of human society. The husband is to love his wife as Christ love the church. The wife is to submit herself to the Spiritual leadership of her husband as the church submits to the headship of Christ. Children are a heritage from the Lord. Parents are responsible for teaching their children spiritual and moral values through consistent lifestyle examples and appropriate discipline, including Scriptural corporal correction.

ABORTION

We believe that human life begins at conception and that the unborn child is a living human being. Abortion constitutes the unjustified, unexcused taking of unborn human life. Abortion is murder. We reject any teaching that abortions due to rape, incest, birth defects, gender selection, birth or population control, or the physical or mental well-being of the mother are acceptable (Job 3:16; Ps. 51:5, 139:14-16; Isa. 44:24, 49:1-5; Jer. 1:5, 20:15-18 and Luke 1:44).

EUTHANASIA

We believe that the direct taking of an innocent human life is a moral evil, regardless of the intention. Life is a gift of God and must be respected from conception until natural death. Thus, we believe that an act or omission, which, of it or by intention, causes death in order to eliminate suffering, constitutes a murder contrary to the will of God. Discontinuing medical procedures that are extraordinary or disproportionate to the expected outcome can be legitimate refusal of overzealous treatments (Ex. 20:13, 23:7; Matt.5:21 and Acts 17:28).

GIVING

We believe that every Christian should tithe of that portion of God's wealth entrusted to him. We believe that God has established the tithe as a basis for giving but that every Christian should also give other offerings sacrificially and cheerfully to the support of the church, the relief of those in need, and to spread the Gospel. We believe that a Christian relinquishes all rights to direct the use of his tithe or offering once, the gift has been made (Gen. 14:20; Prov. 3:9-10; Acts 4:34-37; I Cor. 16:2; II Cor. 9:6-7; Gal. 6:6; Eph. 4:28; I Tim. 5:17-18 and I John 3:17).

THE NEW HEAVENS AND THE NEW EARTH

"We, according to His promise, look for new heavens and a new earth, in which righteousness dwells..." II Peter 3:13. It is then that the new heaven and a new earth are revealed, and faith is no longer needed because the first ones pass away (Revelation 21:1). It will be that at this time the New Jerusalem will be revealed, and we shall reign there forever and ever (Revelation 21:10 and 22:5).

Student Policies

Standard of Conduct and Termination

As a student in a Christian college and seminary, we believe that each of us, as a matter of a good testimony before men (I Timothy 3:7), should adhere to a high standard of behavior. Everyone should remember that the Bible holds each of us accountable for our own actions (Romans 14:12). A student, whose personal conduct is a poor testimony for Christ or fails to live in accordance with the scriptural ideals of the institution, will be spiritually counseled and disciplined by a member of the administration. The college reserves the right to refuse admission, to put on disciplinary probation, or to dismiss any student whose spiritual accountability or personal conduct is not consistent with the Christian spirit and standards of the college (see also Academic Probation/Termination, page 17).

Dress Code

As Christians, it is our responsibility to reflect the image of Christ in all we do, and the conduct of all students should be consistent with this same principle. Modesty, femininity, and good taste are the guiding principles of women's dress at Faith Theological Seminary and Christian College. Both men and women should be well groomed, clean, and neat. All should avoid wearing shorts and tank tops. Foot covering required, no bare feet.

Personal Habits

Students are expected to abstain from the use of any tobacco, alcoholic beverages, and drugs both on and off campus. They will also maintain behavior above reproach in relationship with the opposite sex, avoiding all appearance of evil (I Thessalonians 5:22).

Attendance, Absentee & Tardy Policies

Faith Theological Seminary and Christian College has developed an accelerated program, which requires a commitment to regular and punctual attendance, which is essential to successful scholarship achievement. Attendance in all classes for which a student is registered is expected and depending on the course credit value is a specific percentage of a student's final grade.

To be excused from class, a student must have extenuating circumstances, which require the immediate attention of the student and is communicated with the college office or instructor within 72 hours of the absentee.

Students are expected to be in class at the appointed time. Any student who is late three times during a course will be deducted one absentee from their final grade calculation. As noted with absentees, only truly extenuating circumstances will be excused.

Assignments

Due to non-traditional delivery system, written course assignments are typically required to be submitted one week after a course is completed unless otherwise identified by the instructor or the course syllabus. Therefore, any difficulty/extenuating circumstances need to be discussed with individual instructor, otherwise five (5) points will be deducted from the assignment for each week it is late.

Distance Learning Policy

When an individual is unable to attend the main campus or an affiliate program location, Faith Theological Seminary and Christian College developed the Distance Learning Program that consists of both the correspondence program and the online program. Both educational methods offer a unique off-campus study approach. It is a combination of traditional and independent study methods that provide some educational goals for the individual.

When an individual enrolls into this program, the student becomes responsible for keeping their studies current. To maintain ***active status***, the student must first submit completed assignments according to the following guidelines:

Undergraduate:	2-credit hour course – 30 days
	3-credit hour course – 45 days
	6-credit hour course – 90 days
Graduate:	2-credit hour course – 45 days
	3-credit hour course – 60 days
	6-credit hour course – 90 days
Post-graduate:	course – 90 days

The next course will need to begin immediately following the completion of the previous course. If an extension is required, the student may request a 30-day extension to maintain their active status.

When a student exceeds this limit and notification of the situation has not been received by the college office, that individual will be considered ***inactive***.

Re-activation can occur within the academic year enrolled for a \$25 activation fee, which will hold the costs to the current level. If re-activation is requested after the academic year enrolled, the student will need to pay the difference of the fees since last active plus the re-activation fee.

Online Students will fall under different guidelines. Please contact the main campus for details.

Academic Standards

Grading System

<u>Letter Grade</u>	<u>Numerical Value</u>	<u>Quality Points</u>
A+	101+	4.5
A	95 - 100.99	4.0
A-	93 – 94.99	3.7
B+	91 – 92.99	3.3
B	87 – 90.99	3.0
B-	85 – 86.99	2.7
C+	83 – 84.99	2.3
C	79 – 82.99	2.0
C-	77 – 78.99	1.7
D	70 – 76.99	1.0
F	00 - 69.99	0.0
W	Withdrawn	
I	Incomplete	
P	Pass	

If any student desires/needs to withdraw from his/her program, he or she will need to communicate with the main campus Registrar/college office to inform the institution of their intention. The student will receive a “W” Withdrawn for that course but may complete the course for credit within the academic year enrolled for a re-activation fee of \$25. After that time, the course will need to be repeated.

Under normal circumstances, if a student receives an “I”/Incomplete in any course, the student can make arrangements with the course instructor for the necessary make-up work in order to receive a grade within the academic year the student is registered. As noted above, the course will need to be repeated.

Graduation with Honors

The following honors are awarded to graduating students with superior achievement and are reflected on their degrees:

Summa Cum Laude	=	3.90 cumulative GPA
Magna Cum Laude	=	3.75 cumulative GPA
Cum Laude	=	3.50 cumulative GPA

Student Academic Report

A Student Academic Report is the scholastic record of the work completed during the current academic year. The report is furnished to residents, distance learning students, and affiliate program locations at the end of each program completed.

Transcripts

A singular transcript for each program completed is available from the Office of the Registrar. This is contingent upon the student’s account being paid, all work is complete, and a \$10.00 fee is paid for each transcript. The student must send a written request or a form from another college.

Auditing a Course

Students may audit a course in the undergraduate program based upon completion of an audit application and payment of the appropriate fees. An audited course does not provide a grade, nor does it count toward the completion of a degree. Regular class attendance is required to maintain an audit indication on a transcript, but the student is exempt from the exam and course

requirements. If a student desires to receive credit for an audited course, the individual will need to:

- A. Complete the course exam and submit the required written assignments of the course within the academic year enrolled;
- B. Repeat the entire course; if done after the academic year registered.

Academic Probation or Termination

Unsatisfactory academic performance (less than 1.7 GPA for one semester) may be reason for the college or seminary to require additional make-up work until a passing grade (more than a 1.7 GPA) is obtained and/or the student will be put on probationary status. However, after the additional work and one semester of probation are completed and the GPA has not changed, the institution may terminate a student's enrollment or consistent delinquent assignments (see also conduct termination).

Graduation Requirements

The graduation requirements for the conferring of diplomas, certificates, and degrees will be as follows:

- A. Completion of all required course work in chosen program.
- B. Student must have maintained a 2.0 or above grade point average in course work and research projects.
- C. Payment of all financial obligations: tuition, fees, etc.
- D. Graduation banquet and ceremony:
 1. Attendance of all resident graduates is expected.
 2. Attendance of all distance learning graduates is strongly encouraged.
 3. Affiliate program locations are encouraged to join the main campus graduates unless specific arrangements have been made for a commencement ceremony at that location.

Financial Information

Philosophy

Faith Theological Seminary and Christian College has the philosophy that a quality, spiritual education that trains an individual for service to the Lord Jesus Christ should not leave that individual with an oppressive financial debt.

We, therefore, do not have or are seeking the very costly accreditation that leads to qualification for government guaranteed student loans or sponsored grants. Institutions using such monies generally charge the maximum tuition allowable, leaving the student with a sizable debt at the completion of their education.

For those called to the ministry, this debt can be hinder obedience to fulfill God's calling with this type of debt lingering over the finances. Our approach is to provide the most affordable education that we can as a ministry to the Lord and to His servants.

Policy

Our policy is to provide an in-house, interest free, student loan for those who either simply desire a payment plan or are not able to pay each year's costs prior to beginning their program. This is possible with our exceptionally low tuition and fees. The actual plan is described in the student loan section.

If a student withdraws from the program prior to attending class, the refund policy outlined by the Commission for Independent Education, S.1005.04, 6E-1.0032 (f), will be followed (not more than 5% of total cost for that program paid will be retained before refund is given and request is made prior to three months from closing date of program).

Student Loan Program

As introduced in the financial policy section, an “In-House, Interest Free Payment Plan” is available to all students who desire to utilize it. The payments are determined by dividing the total cost of the program by the number of months allotted for that program. The total cost is the tuition for a specific program, book fees, plus all appropriate fees (application, administration, graduation, placement, transfers, etc.).

For the undergraduate, residential student, the number of months per program is calculated by allowing one month for each of the three (3) credit hour segments. This is traditionally nine (9) months. Graduate, residential segments are based on each three (3) credit hour course running for six (6) weeks. For first time students, the enrollment fee will be larger than the successive payments. Continuing students divide the total amount by the number of months for their program.

Example:

Total cost of one year of undergraduate study is:

Tuition:	\$44.00 per credit hour x 30 credit hours:	\$ 1320.00
Book fees:	(order hard copy or ebook from www.ftsc.org):	
Fees (see above; first year only):		\$ 235.00
Total cost:		\$ 1555.00

In-House, Interest Free Payment Plan

The residential academic year is nine (9) months from August to May which allows the undergraduate student to complete a thirty (30) credit hour program. Therefore, the first payment is made in August before classes start and is followed by nine (9) consecutive monthly payments determined by the remainder of cost divided by nine (9) months. The following demonstrates this plan applied to the total cost for a first-time student:

Total cost of undergraduate program (first time):	\$ 1555.00
- Application fee:	\$ 35.00
- Enrollment fee:	\$ 215.00
Remainder of program cost	\$ 1305.00

The remainder divided by nine (9) months would equal a **\$145.00** monthly payment which is due by the fifteen of each month.

****** Pricing is subject to change. Written notification will be given to students and faculty of these changes. Any changes will be effective at the start of the fiscal year, July 1st of each year. ******
